SLOT: B2/TB2

Course Code	:	BCSE202P
Course Name	:	DATA STRUCTURES AND ALGORITHMS LAB

1. Illustrate minimum spanning tree using Prims & Kruskal's Algorithm. The assessment should include the following things .

    a. Algorithm

    b. Source Code

    c. Input and Output

2. Illustrate single source shortest path algorithm using Dijkstra's Algorithm. The assessment should include the following things.

    a. Algorithm

    b. Source Code

    c. Input and Output

****
